

Chapter 10. Hazardous Waste Management System: General

Article 1.5. Conflict of Interest Code

§66250. General Provisions.

The Political Reform Act of 1974 (Government Code section 81000 et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission (FPPC) has adopted regulations (Title 2, California Code of Regulations section 18730 et seq.) which contain the terms of a standard conflict of interest code and which can be incorporated by reference into another agency's code. After public notice and hearing, section 18730 et seq. may be amended by the FPPC to conform to amendments in the Political Reform Act. The terms of section 18730 and any amendments to it duly adopted by the FPPC are hereby incorporated by reference. This section and the following sections, which specify all the terms and procedures for a model conflict of interest code and set forth the conditions under which designated employees must disqualify themselves from influencing governmental decisions, are hereby incorporated by reference and constitute the Conflict of Interest Code of the Department of Toxic Substances Control (Department).

Designated employees shall file statements of economic interest by using instructions and forms prescribed by the FPPC with the person designated to perform this function for the Department. The original statement by the Director of the Department shall be sent to the FPPC and a copy retained by the Department's filing officer along with all other such statements.
